

THE INTERNSHIP EVENT

Saturday, November 4, 2017 | 8 a.m. – Noon
Hilton Garden Inn, Levis Commons

The Internship Event is an annual event that brings together students, professionals and potential employers. The event is designed to prepare and educate students as they begin their professional careers, helping them to find and excel in internship positions.

The annual event has traditionally featured panels, comprised of professionals within the communications, marketing, public relations and media industries. This format allows students to not only learn from professionals within their desired industry, but have the opportunity to ask questions and form a dialogue with them.

This year's event will be held on Saturday, November 4 at the Hilton Garden Inn, Levis Commons. The event will include a panel of six well-regarded experts who will share their unique thoughts and perspectives with students.

Become an Internship Event Panelist

We are currently accepting panelist submission forms for the event. The form may be found at aaftoledo.org/internshipevent and it must be submitted by Friday, August 4.

Panelists will be chosen based on the following factors:

- Individual's ability to provide a unique perspective to students
- Professional experience (specific industry, focus and years of experience)
- Volunteer / organizational involvement
- Interactions with interns and students within their company or organization

The Internship planning committee, comprised of professionals from AAF Toledo, the Press Club of Toledo and PRSA Northwest Ohio, will make final panelist selections on Monday, August 21, 2017.
